## **Inspire to Aimhigher Art Competition 2010**

**We would like to offer schools the following opportunities to engage with UCA in the production of work for the competition**

Sessions to support the work for the brief, delivered at UCA - Canterbury, Rochester or Maidstone - by arts practitioners which could include:

- Drawing and illustration
- Digital photography
- Graphic Image making
- Image manipulation using industry standard software
- UCA Student ambassadors visiting schools to work on the project with their students

The Widening Participation Department at UCA are also working to produce a document with useful hints and tips for producing work for the project, which will be mailed to schools as soon as it becomes available.
